

Indiana Department of Education

SUPPORTING STUDENT SUCCESS

MEMORANDUM

TO: Superintendents and Technology Directors

FROM: John Keller, Director of Learning Technologies and Mark Broderick, Learning Technologies Specialist

DATE: February 11, 2011

SUBJECT: Online Technology Plan Due Date Established

Online technology plans will be due on or before April 15, 2011. Details about the technology plan process and the availability of the technology plan surveys are available [here](#).

1. To date, 40% of all Indiana School Corporations have submitted their new Online Technology Plan, of which 27% have been approved. Please check to see where you are in the process of getting your plan submitted. ***Everyone must submit their Technology Plan or Update online on or before April 15th.***
2. Any Online Technology Plan received after April 15th, 2011 will be a second priority for review and may not be approved in time for the beginning of the new e-rate year on July 1, 2011.
3. The IDOE will need time between April 15th and May 31, 2011 to complete the review process.
4. The new Online Technology Plan site will be unavailable from June 1, 2011 through June 30, 2011 for maintenance and preparation for the public release of the tech plans and tech trends reports.
5. Approved technology plans for each school corporation will be available online beginning July 1st, 2011. At this time, summary data from the technology survey will also be available on the public web.

The new online Tech Plan can be accessed via IDOE Online at this link:
<https://dc.doe.state.in.us/doesonline/login.aspx> .

If you have questions regarding the new online three-year technology plan or one year update, please contact me, Mark Broderick, at broderic@doe.in.gov or by phone at 317-234-3063.
